

DISCUSSION QUESTION: You are a doctor at an emergency room. A patient comes in complaining of stomach pain. What should you do to help the patient?

AS LEADERS, WE MUST TAKE ON THE TASK OF _____!

THINGS YOU SHOULDN'T DO...

1. "Try as many treatments as possible to see what _____!" Similar problem with the "try a new _____" approach to women's ministry.
2. Evaluate by the wrong _____. A good doctor will start with the "_____."

NEED TO GO TO THE EXPERT FOR OUR "VITAL SIGNS":

Our _____: Matthew 28.19-20. Only one command there—"_____!"

DEFINITION OF A DISCIPLE: Someone who _____ as Jesus _____! (1 John 2.5-6)

TEST OF OUR WOMEN'S MINISTRY: Are our women walking more and more as Jesus walked?

CRITICAL "VITAL SIGN" AREAS FOR OUR WOMEN'S MINISTRY:

1. A foundation of _____. (John 15.5)
2. An environment of _____. (Matthew 22.34-40)
3. Intentional spiritual _____. (2 Corinthians 3.18, Romans 12.1-2)
4. Intentional identification and training of _____ (Matthew 4.18-20, Luke 6.12-13)
5. Intentional missional efforts to reach women _____ and around the _____. (Acts 1.8)

TAKE A QUICK "PULSE"—HOW IS YOUR LOCAL WOMEN'S MINISTRY DOING IN EACH OF THE FIVE "VITAL SIGN" AREAS ABOVE?

REMEMBER: God's answers often come in the form of gifted _____. (1 Corinthians 12.7,12, Matthew 9.37-38)
